

CHIP Facilitator Training Workshop

Join a movement of certified program facilitators who have transformed the lives of more than 80,000 Americans over the past 25 years through disease prevention and reversal.

2 days

May 13-14, 2019

**Ohio University Inn & Conference Center
331 Richland Ave., Athens, OH 45701**

-
- Gain insight into the new paradigm of Lifestyle Medicine and its supporting science. Understand how Lifestyle Medicine principles are integrated into the CHIP program.
 - Learn how CHIP works as a solution for decreasing health care costs and how to integrate CHIP into existing worksite wellness programs.
 - Discover how to utilize CHIP information sessions, health risk assessments, and the virtual CHIP platform. Gain awareness of online CHIP resources. Learn how new CHIP tools can assist participants and sustain their new lifestyle habits.
 - Discuss how to define (and effectively bring) CHIP to your target market. Be prepared to implement CHIP in an easily reproducible manner.

Tuition for the 2-day training is \$749 and includes the workshop participation fee, certification fee, meals during the 2-day training, and all workshop materials, including a CHIP thumbdrive, the CHIP participant toolkit, a facilitator training manual, and the CHIP assistant software.

PLEASE NOTE: When you call the inn to make your reservation (740-593-6661), please mention that you are a CHIP training participant. Make sure you get our negotiated discount!

To register for the training, call Genevieve at the CHIP corporate office at 909-796-7676. (They are on Pacific Time.) For more information, call Tom Kostohryz at 740-541-1944.
